

Have you had  
“The Conversation?”

# Join us for a Conversation Café™ on Advance Care Planning: *Important Choices for Living and Dying*

Brought to the community by Orange County Advance Care Planning Partners, Alzheimer’s Orange County, and the Orange County Aging Services Collaborative.

Join us to learn more about how you and your loved ones can approach some of the difficult conversations surrounding care decisions, especially at end of life.

This FREE Community Education Class will discuss how you can anticipate and identify your wishes and ensure those wishes are honored.

## This class will answer:

- How do I record my wishes in the event I cannot speak for myself?
- How do I start the conversation with loved ones and my doctor?
- What is a POLST form?
- What makes an Advance Directive form legal?
